## President's Message...

**Hello Brothers and Sisters,**

**For the first time, Michelle and I have decided to combine our efforts and have just one President's article from both of us. We hope you like it. We would like to thank our Auxiliary Ladies for the wonderful job they did with the Kids Christmas party. We had a very large turnout and we are pretty sure the kids enjoyed their stockings and presents given to them by the Jolly one himself, Santa!! We also had a great turnout for the Adults Christmas party. Thanks to everyone who helped out. The gift exchange was a lot of fun. We would also like to thank everyone who came out to the New Years party. This was my first time attending the party, and it was great to see so many people enjoying themselves and having a great time. Our bartenders and waitresses did a tremendous job keeping the drinks flowing. Thank you for the great job you continue to do. January's Charity of the month was the Jimmy Durante Children's fund. Your Chairmen were Dave and Linda Kresl.**

# CHARITY OF THE MONTH

are filled with a great spirit of 2006  
to designate charity of the  
month. As you know, December was an  
open month, but many functions were  
held for other charities with great  
success. In the 1st two weeks of  
January, our monthly charity, the  
Jimmy Durante Children's Fund, has  
raised over \$1600.00 with more to  
come through out the month. The  
totals will be posted in the March  
Newsletter. Thank you to our  
Chairmen, Dave and Linda Kresl, for  
coordinating the events and thank  
you to everyone who has helped  
during the month. It couldn't have  
the success it has with out all of  
you. Coming in February, the  
designated monthly charity will be  
the Max Baer Heart Fund. Your  
Chairmen for the month will be Dave  
and Michelle Oliver. Lets do  
everything we can to help them out.  
Lets help Deer Valley raise the most  
money for the Heart Fund, so we will  
have a chance to crown the King and  
Queen for the upcoming year, which  
will take place at the Arizona State  
Eagles Convention in May. Lets show  
everyone what were made of. If you

# *Did you know?*

Valentine Gloves? Back in Colonial America, valentines were sometimes accompanied by a tiny pair of paper or real gloves. If a young lady accepted her suitor's hand in marriage, she wore the gloves to church on the following Easter Sunday.

\* February's Purple Gem. The birthstone for February is the Amethyst-it bestows serenity and is capable of inspiring virtue and high ideals when worn. This gem is a traditional symbol of authority, and has been called the favorite stone of St. Valentine, who wore one engraved with a cupid.

\* February is American Heart Health Month! Why not take this month to learn CPR, and the warning signs of a heart attack or a stroke. For more information, check with the American Heart Association.

Our Tournament Schedule for 2006:  
February 18th, will be the Eagles Annual Tournament. This is a Non-Sanctioned event we have held for many years. Sign up closes at 10:30am the day of the Tournament.  
March 4th, we will have our Eagles Shoot Out Sanctioned Tournament. Signup closes at 9:30am the day of the Tournament. We need scorekeepers for this event. We were hurting at the last Tournament, because no scorekeepers showed up. We really need help in this area, and it pays \$1 per game.  
April 1st is the State Tournament. We absolutely must have some scorekeepers up to speed for this. Anyone who didn't come to the class I held last year, I will be happy to meet with you to give instructions. The State Tournament has a Banquet and Meeting afterward to be held on site.  
The rest of our Tournaments, will be in the Fall starting October 28th, with the Eagles Fall Pitch (Sanctioned), November 18th, The George Steele Memorial (Non-Sanctioned), and December 16th, Eagles Fly In (Sanctioned).

Thanks ,Tom Tabat.
